

ALA Technology Acceptable Use Agreement

Throughout the course of this school year, your child will be utilizing technology to conduct their learning through programs such as NWEA MAP assessments and Edgenuity coursework. The following is a technology agreement that covers specific terms of technology use to be followed at all times. Please read this over with your child, then sign and return the last page to your child's teacher.

This school year, your child is expected to come to campus each day with an electronic device that allows them access to ALA programs. Students are expected to only access school-approved programs while on campus and may not access games or other unrelated content.
